

Sexual health

Know the facts

Get the most up-to-date information and statistics. Free factsheets on these sexual health issues are now available.

- **Relationships and sexuality education in schools**
- **Teenage pregnancy**
- **Abortion**
- **Family planning services in Northern Ireland**
- **Sexual orientation**
- **Sexual behaviour and young people**
- **Sexually transmitted infections**
- **The legal position regarding contraceptive advice and provision to young people**

The factsheets are published by Sexual Health Information, a partnership between fpa in Northern Ireland and the Health Promotion Agency for Northern Ireland, and are available at:
